Re: Easement Vacation

March 17, 2020

Mr. Victor Weber has applied for a vacation of a county gravel pit easement on lot 17 of the Mountain View Acres Subdivision. The application is requesting that the county gravel pit easement be vacated. Lot 17 is in an R-1 zone and gravel pits are not allowed in that zone however the gravel pit was in place before adoption of the Local Land Use Planning Act.

The county has no objection to vacating the easement because they have not used that pit for many years.

You are receiving this letter and notice of public hearing and the planning and zoning commission is requesting your comments or concerns if you have any.
