# Camas County: Snow load Waiver

For S-1, S-2, And Utility structures only.

---

## Waiver of Liability

To: Camas County Planning and Zoning

From:

By Signing this waiver owner assumes liability to the structure and any damage caused by Environmental loads.

\*If at any time the Structure category changes, a new building permit will be required.

\*The Construction of the structure must comply with the IBC 2018, and IRC 2018. Along with the Current Zoning ordinance.

Applicant, on behalf of the applicant, its officers, agents, heirs, assigns and successors in interest to the property or building in question, hereby acknowledges the above limitations and hereby releases Camas County, its officers and agents, from any liability for any damage to the property or building of applicant related to environmental considerations.
